Instructions

1. There are 2 worksheets: the first has sentence starters that kids can complete and the second just has blank lines so kids can write what they want to describe your family. Print the worksheet that will work best for your kids.
2. Have kids either draw your family or glue a picture of your family in the frame.
3. Have kids describe your family on the lines provided either by completing the sentence starters (worksheet 1) or by creating their own original sentences (worksheet 2). For the sentences with *es* and *soy*, have kids write adjectives to describe the person and the person's name.
4. You can then have kids read the sentences to you.
