Vocabulary

Instructions:

On the following pages are vocabulary worksheets which have a list of the vocabulary for this chapter with English translations. Kids can use this to look for words when completing the activities in the rest of the chapter.

My suggestion is to make a copy for each person.

There is also a vocabulary page with helpful "small" (but very important) words that aren't officially taught, but kids will learn over time. I have a word wall with these in my classroom, and kids learn the words quickly because they are repeated so much. If you don't have a word wall like described [here](#), print the list on slide 5.
