Book 2
Chapter 4

Vocabulary

Instructions:

On the following pages are vocabulary worksheets which have a list of the vocabulary for this chapter with English translations. Kids can use this to look for words when completing the activities in the rest of the chapter.

My suggestion is to make a copy for each person.

There is also a vocabulary page with helpful "small" (but very important) words that aren't officially taught, but kids will learn over time. I have a word wall with these in my classroom, and kids learn the words quickly because they are repeated so much. If you don't have a word wall like described [here](#), print the list on slide 5.

Grammar Notes:

Here are the infinitives of the verbs for this chapter:

ver

llegar

bajar

dar

Bajar means:

to get off a train, bus, or bike

to disembark a ship or airplane

to get out of a car

Bajar also means to go down (like down a hill or mountain). This definition is also used in chapter 4 of the workbook.

When using forms of *dar*, you need an indirect object pronoun:

le - (to) him/her

les - (to) them/ you all

te - (to) you

me - (to) me

Kids should figure out what these mean based on what the rest of the sentence/question is saying/asking because the meaning naturally fits.

If they are struggling and thinking about each and every word, they might need to be told what these words mean.
