Vocabulary

Instructions:

On the following pages are vocabulary worksheets which have a list of the vocabulary for this chapter with English translations. Kids can use this to look for words when completing the activities in the rest of the chapter.

My suggestion is to make a copy for each person.

There is also a vocabulary page with helpful "small" (but very important) words that aren't officially taught, but kids will learn over time. I have a word wall with these in my classroom, and kids learn the words quickly because they are repeated so much. If you don't have a word wall like described [here](#), print the list on slide 4.

Grammar Notes:

Telling time in Spanish can be challenging for English speakers. Especially the second half of the clock!

I've broken down telling time in Spanish into 3 lessons: the hour and half hour, the minutes from 1 - 29, and the minutes from 31 - 59.

This is the second lesson (minutes 1 - 29). Make sure kids know the hours from the first lesson before doing this one. I've included vocabulary for both telling the time (¿*Qué hora es?*) and some time phrases.

To say minutes 1 - 14 and 16 - 29, you say the hour, *y* (and), and then the number (for the minutes).

For example:

It's 1:01 is *Es la una y uno*.

It's 3:22 is *Son las tres y veintidós*.

To say the 15-minute mark, you say the hour, *y*, and then *cuarto*.

For example:

It's 10:15 is *Son las diez y cuarto*.

I gave examples on the vocabulary sheet that match what's on the flashcards. This should give a good feel for how to tell time with the minutes in the first half hour of the clock.
