# Todo sobre mí

*This can be a writing activity, but I included a reading first as an example and questions to give more input with the yo forms and the tú forms.*

## Instructions:

1. Have kids read the description in Section A in both Spanish and English.
2. Make sure kids understand the questions in Section B. Then have them think of answers. If they need to, they can write down short answers.
3. Have kids write as much as they can about themselves.
4. Correct what they wrote, and have kids read their descriptions to you or someone else!

## TIPS:

You can use this just as a reading activity if you want and skip the writing part.

If kids are writing, this should be the very last activity since it's output. Lots of input (kids listening to and reading Spanish) needs to happen first.

If your kids aren't reading and writing yet, you can be their scribe and write what they say.
