

¡VEO, VEO!

Look for objects in these 3 activities:

Veó, veó on the highway

Veó, veó at the airport

Veó, veó at the beach

Instructions

On page 3 is the “picture dictionary” with a picture of each Spanish word that is found in the *Veo, Veo* activities. There is a QR code to scan or a link to click to listen to the pronunciation of each word.

If you're just starting to learn Spanish or haven't heard the words on page 3 yet, I highly suggest listening to the recording before moving on to the *Veo, Veo* activities. Knowing how to pronounce the word is really important before reading the words.

On pages 4 - 6 are the *Veo, Veo* activities. I made them black and white to print easily but also so these could be used as coloring pages. If your kids like to color, have them color the pages first.

Then they can look at the sentences below the objects and count how many of each object there are. After counting one object, write the number on the line to complete the sentence.

For example, on page 4 *carros* is the first object. Count how many *carros* there are in the box and then write the number on the line.

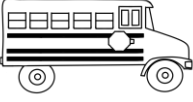

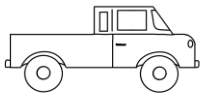

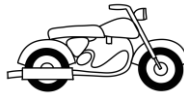

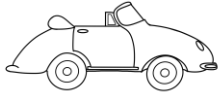

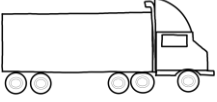

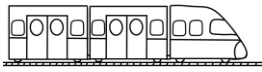

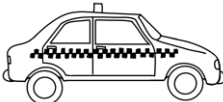

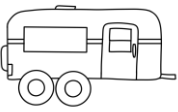

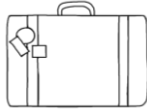

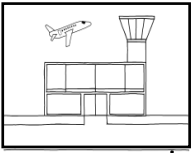

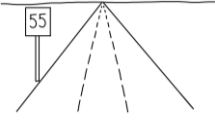

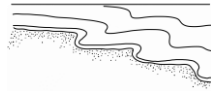

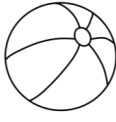

Veo 7 *carros*.

(At least I think there are 7 😊)
